PERSON RESPONSIBLE Deputy Director, Human Resources			SUNSET DATE 7/1/2007	

PURPOSE: Prescribes procedure for use of military leave.

APPLICATION: Applies to the entire department.

(1) As used in this department operating regulation (DOR), the following terms shall mean:

(A) "Competent Order," official order from the appropriate military authority as evidence of duty for which military leave pay is granted, which order shall contain the certification of the officer or commanding officer of performance of duty under the order's terms.

(B) "Military leave with pay," the period of time a regular or probationary employee, who is a member of the Missouri National Guard or any of the Reserve components of the United States Armed Forces, is placed on military duty or training by competent order, not to exceed 120 work hours in a federal fiscal year (October 1 to September 30) or leave from assigned duties without loss of pay, time, regular leave or any other rights or benefits and without effect on performance appraisal summary. This paid leave provision shall not apply to weekend drills. The 120 work hours limitation shall not apply to employees who are members of the Missouri National Guard engaged in the service of the state at the call of the Governor and as ordered by the Adjutant General.

(C) "Military leave other," a period of time a regular or probationary employee, who is a member of the Missouri National Guard or any of the Reserve components of the United States Armed Forces is placed on military duty for training by competent order. Any part of that period of time which is scheduled work days shall be covered at the employee's option by the use of annual leave, accumulated holiday or overtime, or authorized leave of absence without pay. This type of absence shall not affect the employee's performance appraisal summary.

(D) "Leave of absence - military," a period of time a regular or probationary employee, who is a member of the Missouri National Guard or any of the Reserve components of the United States Armed Forces, is ordered by competent order to active federal service or enters into active duty in any of the components of the United States Armed Forces.

(E) "Weekend drills," the required attendance at monthly meetings of the Missouri National Guard, Reserve unit or duty assignment.

(2) As the dates for military training are frequently optional to the employee, the employee shall, at the beginning of the military training year, obtain a copy of the training schedule and requirements from the unit for the training year. The employee shall submit the schedule and confer with the supervisor to establish a schedule that meets the training needs of the employee and permits effective scheduling of personnel at facilities.
